Spanish with Señorita Sarah: February 2019

Hola families,

January was a fun (if medical topics can be fun, ha) time with everyone discussion health, the doctor's office, typical minor illnesses, doctor vocabulary, etc. I was genuinely impressed with how much everyone retained of these difficult-to-pronounce words. I sense some bilingual medical workers in our future!

February's unit will focus on Sports, which is always an enjoyable and practical topic. We sing a sports song regularly, but this will be a great way to add to that and work on lots of related activities.

Below are the main words/phrases we covered in January. Have a great *febrero*!

Gracias,

Señorita Sarah
