Younger Infants Room

A Warm Welcome...

To **Paulson**, who joined our Younger Infants Room on April 24th.

A 'boysterous' room it is!

Activities

*Kids enjoyed creating an art with their feet and palms dipped in paint, much to our joy.

*They also had the opportunity to take a stroll around our play area. When weather permits and preferably before noon, we would like to take our kids out.

April Review

Barrett, who now sits independently for playtime, has also learnt to move backwards while on his tummy! Loves eating with a spoon. Very observant and extremely friendly.

Benjamin, for whom the bottle was a stranger, is thrilled to see one when hungry! He enjoys playtime with friends. He rolled over all by himself and there's no stopping now.

Cameron, a big talker that he is, has a lot to say and loves to laugh. He now rolls over independently and is happy to see his toys at a new angle.

James is full of wonder when he sees/hears anyone enter the room. He is happy to interact with one and all. Rolling over independently, he keeps his head high!

Luna always has that cheerful smile. She loves to move around the mat, she's on a roll! Luna enjoys sitting on the Bumbo, and is comfortable having her lunch.

Paulson is taking his new room, friends and teachers very well. Very observant, has a lot to say.
