

Spanish with Señorita Sarah: May 2017

Hola parents,

What a fun time we've had discussing Ocean Animals, Pirates, and the Beach this April! Everyone has picked up on so much, and we made many silly chants and competitions to help us remember the vocabulary. The graduation song is coming together, and we're excited about singing it for you!

May's focus will be on Transportation, and I know we'll have a blast with that topic! I'm hoping for some time near the end of the month to review some of the topics we covered this school year. Summer is almost here, and I look forward to working with your kiddos once a week for most of it! It has been a wonderful year...all the best to you and your family!

Below are the words we covered in April. Have a fantastic *mayo*!

Gracias,

Señorita Sarah

El océano—The Ocean

Pelican – El pelícano (el pay-LEE-kah-no)

Turtle – La tortuga (la tor-TOO-gah)

Coral – El coral (el koh-RAHL)

Shell – La concha (la KOHN-chah)
